# FALL 2025 WRAP-UP

- **Busiest, biggest semester yet!** (How many times will we say this?)
- 79 live music shows, 6 syndicated music shows, 7 podcasts, 2 student-curated automation shows
- Events galore and more in store: CU and CMDI involvement fairs, Culture Crawl with Fiske Planetarium, Halloween party with CU Art Museum, 3 Forever Buffs events, Wax Trax live remote, Phoebe Rings guest DJ, CMDI class tours, SEA U collab, RAP Lab takeover, more
- News Team went crazy: 23 awards this semester (7 more to be announced in Feb)
- New Listener Line newsletter (~1500 subscribers, students/alumni/donors/listeners)
- Wattage Week! 108 donations for a total of \$6,077

---

# UPCOMING ACTIVITIES & EVENTS

- CU collabs: CU Boulder Today events calendar, 150th anniversary coverage with Strategic Relations, new podcasts from Visual Evidence Lab, Renee Crown Wellness Institute
- TEDxCU partnership: cross-promotion, potentially event DJing
- Spring Fund Drive (Return of Wattage Week) Feb 10-14
- Campuswide Talent Show at Glenn Miller March 3
- Radio Prom at Junkyard Social Club mid-April
- Restarting in-studio bands over the spring/summer (plus Wax Trax partnership)
- DJing at CU Art Museum and BMoCA opening events

---

# SPRING 2026 (AND BEYOND) HIRING

- New events director, Alex Burk, starting as successor to Oliver McKinney (graduating)
- Grace Moore (currently print editor) will be replacing Ethel Yagudayeva as interim assistant news director while Ethel is abroad
- Re-interviewing for assistant news director in late spring *and* adding ~10 hr/week managing editor role summer/fall based on bandwidth capacity and strong internal candidates
- Exploring assistant events/promotion expansion this spring with potential additional hire in the fall
- Once settled in to Carlson, exploring splitting production director role into imaging director and live production director (strong internal candidate)

---

# STATION MOVE UPDATE

- Last day of live student broadcasts before switching to automation: Fri 5 Dec
- Station open through end of finals for study and hangout
- News headlines and concert calendar still broadcast; others can prerecord shows to load
- Move-out, studio rebuild, media shelving construction, etc will be 24/7 after finals
- Working with campus departments to try to get access for alumni/community DJs
- Colby Wyatt (CMDI student) is capturing footage for an internship documentary!

**AIMING TO RE-OPEN TO STUDENTS JAN 8**

**Caveat: Schedule is very tight and Iris/Eric will be moving and building all of winter break**

---

# QUESTIONS/COMMENTS?
